

BLU-RAD P2407

Robust, Reliable, Cost-Effective Communication

P2407 is specifically designed for event organizations, hotels, and restaurants with its slim, attractive form and hidden LED display. P2407 ensures uninterrupted communication and coordinated work of teams with each other.

- 99 PMR Channels
- 500mW Output Power
- Voice Prompting
- Adjustable VOX - 10 Levels
- Hidden LED-matrix Display
- 2300mah Li-Ion Battery

GENERAL SPECIFICATIONS

Frequency	PMR446MHz
Channel Capacity	16 Channels
Channel Spacing	12.5KHz
Operating Voltage	3.7VDC \pm 20%
Frequency Stability	\pm 2.5ppm
Operating Temperature	-20°C~ +55°C
Dimensions	126x57x27mm (without Antenna)
Weight	142g (with Battery Pack)

TRANSMITTER SPECIFICATIONS

Output Power	500mW
Adjacent Channel Power	60dB
Hum & Noise	40dB
Spurious Emission	-36dB
TX Current	1500mA

RECEIVER SPECIFICATIONS

Sensitivity (@20dB SINAD)	0.18uV
Adjacent Channel Selectivity	60dB
Spurious Rejection	70dB
Intermodulation	60dB
Hum & Noise	40dB
RX Current	300mA
Audio Output Power	500mW

Authorized Reseller:

P2407 is a lightweight, ergonomic radio that is manufactured in conformity with the European Union Radio Equipment Directive (RED 2014/53/EU) addressing human health-safety, EMC, and effective use of the radio spectrum. P2407 is the ideal assistant for staff members working in intense working conditions and lengthy shifts thanks to its rugged case and 2300mah powerful battery.

SLIM DESIGN AND EASY TO USE

P2407 is slim, lightweight and portable, weighing 5 ounces, making it easy to use. With its short antenna and curved edges, it can be easily carried in pockets and bags.

SCANNING

Calls on other channels can also be listened using the scanning feature of P2407.

LONG-LIFE BATTERY

The P2407 guarantees uninterrupted and effective operation of the staff with a single battery during lengthy shifts thanks to its powerful 2300mah Li-Ion Battery.

USB AND DESKTOP CHARGING OPTIONS

P2407 supports both USB and desktop charging.

VOX

Voice activated microphone enables hands free operation. P2407 also supports external earpiece and microphone accessories.
